

# Healthy Bonus Values for our members

healthy bonus®

For more information on how to take advantage of these special offers, please log on to [www.oxfordhealth.com](http://www.oxfordhealth.com), and click the "Tools and Resources" tab. Then, just click on "Healthy Bonus member discounts" under "Manage Your Health."

We are constantly working to provide our members with access to doctors, facilities and programs that can help our members stay well. We know that staying well involves more than just visits to the doctor's office – it is also important to stay active, maintain a healthy weight and manage stress levels. Through the *Healthy Bonus* program, we offer access to discounts and special offers on products and services to help you achieve these goals.

Once again, we have expanded our *Healthy Bonus* offerings. In addition to savings on weight loss programs, fitness equipment, nutrition products, and publications, this year's program includes new offers for helping members stay healthy.
