HealthPass is pleased to extend our broker administrative fee program to our valued broker partners in recognition of your 2020 new business efforts.

Q2 (4/1 - 6/1)	20+ EE's enrolled	\$50 Per EE
Q3 (7/1 - 9/1)	20+ EE's enrolled	\$50 Per EE
Q4 (10/1 - 12/1)	20+ EE's enrolled	\$50 Per EE

Subject to "The Fine Print", production toward the 2020 Quarterly New Business Plans will be calculated on a specified date with payments to follow thereafter. The respective specified dates for calculation and estimated dates for payment of the plans are: 7/15/2020 and 7/25/2020 for Q2; 10/15/2020 and 10/25/2020 for Q3; and 1/15/2021 and 1/25/2021 for Q4.

PLUS you'll earn an additional 10% on those payouts if the total lines of ancillary coverage installed is 50% or more of the total EEs!

THE FINE PRINT

- EEs must be actively enrolled medical employees of groups which are new to HealthPass.
- EE's must be active at the time of calculation and remain active for a minimum of 60 days.
- The primary broker who originally writes the case is the only broker who can be credited.
- There is no minimum number of groups required.
- Eligible ancillary lines include all Dental, Vision, EverGuard and AccidentGuard products as well as ID Theft products.
- Ancillary calculation will be based on the number of individual eligible ancillary lines of coverage in force divided by the total enrolled EE's.
- Employees who sign up for multiple ancillary lines count positively multiple times (e.g. enrollment in Dental, Vision & EverGuard by 1 employee = 3 individual lines).
- COBRA enrollees are treated the same as active enrollees.
- All payouts are made by Direct Deposit. Not enrolled in Direct Deposit? Sign up here www.healthpass.com/broker-direct-dep.pdf
- The Administrative Fee Programs are funded by the HealthPass Insurance Trust solely out of program fees.
- HealthPass reserves the right to make changes or terminate the Administrative Fee Program(s) at any time. All decisions by HealthPass are final.
