About Solstice Dental EPO (*In-Network ONLY*)

With Solstice Dental EPO, all covered services are based on a list of fixed patient charges, so there are never any claim forms to complete. The plan is open-access meaning there is no need to select a primary dentist and the member can switch dentists at any time. A referral is not required to see a specialist and the member will pay a 25% reduction of the provider's usual and customary fee. If the member acquires a Solstice pre-authorization to see a specialist, they will pay the related listed copays which offers more cost-savings. If you use a dentist who does not participate with the Solstice S700A network, your procedures will not be covered.

Plan Highlights

- Open-access plan and no specialist referrals
- No copay for primary care office visit
- No deductible
- No annual calendar maximum
- No waiting periods
- Implant benefit via implant network provider only
- Dependent coverage until the end of the year in which the child turns 26 years of age
- Orthodontia benefits for both adults and children included

Dental Coverage can only be elected by a group enrolling in HealthPass medical coverage.

Rates are subject to final verification at the time of enrollment. Domestic Partner coverage is included with all carriers.

Rates for Domestic Partners will be the same as rates for Employee/Spouse and Family.

This is a summary of plan information. Please refer to the Eligibility Guidelines for further information.
